

# SYSE GARD

Economuseum, guided tours and catering. Sale of home-made farm produce.

EXPERIENCE SYSE GARD (Syse farm) - ULVIK I HARDANGER

## **SYSE GARD, Ulvik i Hardanger**

A typical Western Norwegian farm specializing in sheep and fruit farming. Our home-made products include apple juice, various fruit preserves and sausages as well as smoked and cured meats.

## FARM OUTLET HOME-MADE PRODUCE

Gift packages and baskets of various sizes.  
Please see our selection and opening hours  
at [sysegard.no](http://sysegard.no)

## **GUIDED TOURS – Welcome to our farm!**

Taste home-made products from our outlet, and see how we make them. Cider and home-made beer is also served.

We welcome groups for guided tours and catering.

**A SPECIAL COMPANY OUTING:** Experience daily life on the farm.

Please see [sysegard.no](http://sysegard.no)

## MEETING AND CATERING

We have a well equipped assembly room above our farm outlet. Combine your meeting or workshop with a tour and a meal based on the farm's home-made products. Various fruit produce and lamb are the main ingredients. For more information and ordering please see: [sysegard.no](http://sysegard.no)

## In 2013 SYSE GARD was awarded The distinction, **ECONOMUSEUM**

An Économusée is not a traditional museum,  
but a living and breathing artisans workshop.

In addition to production and sale of traditional craft  
visitors are shown craftsmanship in a historical context.

## THE ÉCONOMUSÉE EXPERIENCE IS...

- To meet inspired craftsmen in their own environment
- To learn something new about something old in a fascinating workplace
- Presenting living craftsmanship and traditional knowledge
- Preserving culture and tradition
- Combining culture, economy and tourism
